**REPORT AND RECOMMENDATION ON DEFENDANT'S
MOTION FOR RULE 11 SANCTIONS**

CABELL, U.S.M.J.

I. INTRODUCTION

Plaintiff Allscripts Healthcare, LLC ("Allscripts") has brought suit against defendant DR/Decision Resources, LLC, d/b/a Decision Resources Group ("DRG") for allegedly violating the terms of an agreement licensing DRG to use Allscripts' data. DRG contends that the suit is frivolous and has been brought in bad faith and moves pursuant to Federal Rule of Civil Procedure 11 to sanction Allscripts and its attorneys, by dismissing the lawsuit with prejudice and ordering Allscripts to pay DRG's expenses. (D. 67). The matter has been referred to this court for a report and recommendation. For the reasons explained below, I recommend that the motion be denied.

*Report and Recommendation is accepted and
